

## **Accessibility for Ontarians with Disabilities**

Minto United Soccer Club always strives to provide its goods and services in a way that respects the dignity and independence of people with disabilities. Minto United Soccer Club is committed to giving individuals with disabilities the same opportunity to access our goods and services by allowing them to benefit from the same services, in the same place, and in similar ways as others.

Minto United Soccer Club's working environment as well as its soccer facility environment operate free from discrimination. This applies to every individual who deals with members of the public or other third parties on behalf of Minto United Soccer Club. Failure to comply with this policy and operational procedures may result in disciplinary action up to and including termination.
