

## **Welcome to Minto United Soccer Club!**

Our programming promotes team building, self-esteem, and healthy habits. Participants learn structure, build friendships, advance their skills, and enjoy a fun and memorable experience. Our programming is brought to you by an executive of community volunteers, with the help of our outstanding volunteer coaches, assistant coaches, and parent representatives. We encourage honesty, equality, and respect toward one another, both on and off the field.

To ensure everyone has a positive experience during game season, please review the following Code of Conduct with your soccer player(s):

### **Zero Tolerance Policy**

### **Cultural Sensitivity Policy**

### **Equality & Diversity Policy**

Here at Minto United, we encourage long-term participation, leading to further opportunities for our players to grow and enjoy sport. This long-term focus helps build sportsmanship and pride in our community. We value the service and dedication of our outstanding coaches and take pride in offering paid referee positions.
